#### Automatic packer Virtuo

**« HIGH PERFORMANCE AUTO-PACKING. COMPACT AND ECONOMICAL. REACH THE LIMITS OF YOUR FOLDER GLUER WITHOUT BREAKING THE BANK. »**

The Virtuo series of automatic packers are known for their simple design, small footprint and lowest cost for any packer on the market today in this category. With its many available options and configurations the Virtuo can pack many sizes of cartons to include medium to very large cartons (paperboard and microflute) and various styles of straight line, 4/6 corners and automatic/lock bottom boxes in one level and one row.

A few options available with the Virtuo:

- Case magazine;
- Inline corrugated case former;
- Virtuo Mini™ version for very small boxes into trays;
- MIC™ control of the gluer from the packer;
- Carton turners for carton orientation prior to packing;
- Carton inverting systems for auto and lock bottoms;

**Impact Packaging products are designed and manufactured in Canada  
CE for European deliveries / UL for North America and other countries**
